Non-Citizen National | Man of God | Beneficiary of Divine Law

In the Name of the Most High,

This is my Testimony of Truth and Status & Standing made,

Pursuant to God's Law, the Law of Nations, and maxims of equity and common law

I, Gary-Lee: Camphausen, a living, breathing man created by the Most High, known as Trustee Gary: Camphausen, being of sound mind and clean hands, do solemnly declare and affirm the following under oath, without the U.S. and its subdivisions having jurisdiction over me, and make this declaration of truth knowingly, voluntarily, and intentionally.

I. Identity and Standing

I am a natural man, born by divine will on the land commonly known as Kendall County, within the united States of America, not the "United States" (the corporation). I am **not** a U.S. citizen or 14th Amendment citizen. I am **not** a corporate person, decedent, legal fiction, or surety for any artificial entity created in my name without my knowledge, consent, or full disclosure.

I deny all presumptions of citizenship under the U.S. Corporation and declare my standing as a **non-citizen national, private American, and living man of God** under natural law.

II. Jurisdiction and Lawful Authority

I do not consent to, nor am I subject to:

- Admiralty/Maritime jurisdiction in land-based courts;
- Statutory presumptions imposed by unrevealed contracts;
- Enforcement actions that presume I am an employee, citizen, or resident of the UNITED STATES (corporation).

I stand under:

- **Divine Law based on Al-Qur'an, Torah, and Gospel,**
- **Natural law and maxims of equity,**
- **The original organic Constitution (1787) and the Bill of Rights (1791),**
- **Customary international law under the Law of Nations.**
- **Treaty of Peace and Friendship, 1786**

1 of 4

III. Notice of Fraud and Constructive Trust

Any artificial entity bearing the name GARY LEE CAMPHAUSEN, GARY CAMPHAUSEN, or other derivative all-caps variation was created without full disclosure, rendering the contract void ab initio under maxims of equity and truth in contract law.

I hereby declare a **Constructive Express Trust**:

- Private Ecclesiastical Foreign Irrevocable Trust Name: **Chariot Express Irrevocable Trust**
- **Settlor/Grantor**: Allah/God, Lord of the Worlds
- **Trustee**: Gary-Lee: Camphausen
- **Purpose**: To serve humanity and uphold divine law in all matters.

All titles, credits, and assets accumulated by artificial persons using my name are rightfully the property of the **Trust of Living Equity**, not of any commercial jurisdiction.

IV. Notice of Revocation and Rebuttal of Presumptions

I revoke, rescind, and cancel any and all prior:

- Declarations of U.S. citizenship made under coercion or ignorance;
- Social Security applications, driver's license applications, and any other contractual documents that presume voluntary adhesion to federal jurisdiction;
- Unrevealed contracts formed under misrepresentation or threat of legal harm.

I rebut all presumptions that:

- I am a ward of the state;
- I am a debtor under the Federal Reserve;
- I have waived my natural rights or agreed to be surety for any obligation not incurred knowingly and voluntarily.

V. Reservation of Rights and Peaceful Intent

I reserve all God-given, unalienable rights. I do not waive any rights at any time. I operate in peace and honor. I do not act in rebellion, sedition, or aggression against any government or people.

VI. Public Notice - Rebuttal of Cestui Que Vie Act of 1666 Presumption

I hereby rebut any and all presumptions arising from or relating to the Cestui Que Vie Act of 1666 and its modern statutory implementation.

Let this serve as public notice to all agencies, courts, corporations, and persons:

"I am not lost at sea or ward of the state. I do not consent to your jurisdiction. I am alive, competent, and operating by right, not by privilege, standing on the land under divine law. I am the living man, the rightful owner and beneficiary of my divine estate, and I reject all fraudulent or unverified trusts or claims administered by any foreign municipal or corporate jurisdiction, including but not limited to the UNITED STATES, INC., its subsidiaries, and agents."

Any estate held in trust under my all-caps name, birth certificate, or associated record is hereby lawfully reclaimed by me, Gary-Lee: Camphausen, living man.

All administrative, commercial, or judicial use of my legal fiction is without my consent and is hereby denied and nullified.

- I invoke treaty protections under the Treaty of Peace and Friendship (1786).

TESTIMONY OF RELIGIOUS OBJECTION TO PUBLIC BENEFITS
Private Declaration of Faith-Based Non-Participation

In the Name of the Most High,

I, Gary-Lee: Camphausen, a living man created by God, Trustee of the Camphausen Redemption Irrevocable Trust, standing under divine law and domiciled on the land and soil of Illinois, do hereby solemnly affirm the following:

DECLARATION

1. I object, on firm religious, moral, and spiritual grounds, to any presumption that I have voluntarily applied for, consented to, or am bound to accept public benefits, entitlements, subsidies, or services administered by any corporate or municipal government entity, including but not limited to:
 - Social Security benefits,
 - Medicare or Medicaid,
 - Unemployment insurance,
 - Government welfare programs,
 - Public education, vaccines, or state health mandates,
 - Any statutory licenses or privileges construed as necessity for private living.
2. I declare that accepting benefits from entities operating under Roman Civil Law and statutory commercial jurisdiction violates my religious convictions and my obedience to the divine authority of **God**, as revealed in the Holy Qur'an/Torah/Gospel and as inscribed in the fabric of the Universe, which is evidenced by the Divine Universal Laws.
3. As such, I reject all presumptions that I am voluntarily participating in the **public trust system, Cestui Que Vie estate constructs**, or corporate benefit schemes intended for enfranchised 14th Amendment U.S. Citizens.
4. I retain my rights to act as a **private American national**, outside the scope of federal corporate governance, and I do so as **Trustee of a private, irrevocable, divinely established trust**, subject only to natural law and the jurisdiction of my Creator.
5. I have no intention to evade lawful obligations, but I do **lawfully reject and rescind all contractual presumptions** connected to offers of benefit or presumed consent to public policies.

This testimony shall be recorded in both private and public record and may be used in any judicial, medical, administrative, or commercial setting as a full rebuttal of presumption of participation.
